CHILD UPDATES

Interested in seeing how your sponsorship is empowering your child? Amiina Ministries will send out quarterly updates to each sponsor! This will include photos, progress reports pertaining to education, health, family, emotional and spiritual growth, and prayer requests. This will be sent out via email, so be sure to be on the look out for these fun updates!

AMIINA UPDATES

Be sure to follow us on Facebook and Instagram! We post weekly updates on the latest happenings within the ministry, child highlights, encouraging scripture or urgent prayer requests! You may also get to see a surprise feature of your Amiina Child!

NEWSLETTERS

We can never fully express how valuable you are to our ministry. Amiina Ministries exists simply because of Sponsors like you! That is why each quarter we are excited to share the work God is doing in Uganda, through you! Expect to receive a quarterly newsletter full of the ways God is using your monthly gift to restore hope in the lives of our Amiina kids!

ADDITIONAL OPPORTUNITIES

Write A Letter!

There is nothing more impactful to a child than a handwritten letter from their sponsor. It lets them know that behind the generous monthly gift, is also a real person who cares deeply about their well being. If you would like to send a letter to a child, email alissa@amiinaministries.org for more information

Assist in Personal Needs

There are often times when families are faced with unexpected costs such a medical emergency, glasses or dental bills. In these situations, we like to reach out to our sponsors to see if it would be something they would like to assist in paying for.

Celebrate A Birthday!

It is so special to be able to celebrate another year of life! And nothing says, "you are seen + known + your life matters" like receiving a birthday gift from across the globe.

This is an incredible, yet simple, way to celebrate your Amiina Child and the blessing their life brings to our world.

We will send out birthday reminders each year, giving you the opportunity to make it an extra special year for your Amiina Child.

Give a Christmas Gift!

As another opportunity to make your Amiina Child feel seen and known, we offer opportunities to give them a gift to open on Christmas! We even extend opportunity for you to bless the entire family with a gift such as a pig or goat that can provide additional income or food. We will send out this opportunity well in advance as you prepare for the Christmas season.

Visit A Child

The heart of Amiina Ministries is family! We believe that God gave us family as way of giving and receiving love, support, empowerment, truth, value and life! What better way to communicate those realities than to see your Amiina Child face to face, exchange a hug and share a meal together, just like family! If you are interested in this opportunity, email ally@amiinaministries.org for more information.
